PATIENT PREPARATION

CT Abdomen:

No fasting, drink 500 mls of water in the hour before your appointment.

MRI:

No preparation is required. You will be asked to complete a safety questionnaire on arrival.

Mammography:

Do not use talcum powder or deodorant on the day of your appointment. Please wear a two-piece outfit.

Facet Joint or Nerve Root injection:

No preparation required unless your doctor has arranged sedation.

Upper Abdominal Ultrasound:

Do not eat, drink or smoke for six hours before your appointment.

Pelvic, Renal, Obstetric Ultrasound:

A full bladder is required. Drink 1 litre of water (600-700mls for morphology and growth scans) finishing at least 1 hour before your appointment. Do not empty your bladder.

Nuclear Medicine:

Details will be available when making your appointment.

Your doctor has recommended that you use Radiology SA. You may choose another provider however it is important to discuss with your doctor first.
